

Cultural Days: Homefront Month

The people left behind during World War II experienced evacuations, rationing, and a cultural shift as women and people of color entered a workforce they were once barred from. Learn more about their experiences as you participate in Homefront inspired activities and interact with historical figures as they give their unique perspective on the Homefront.

Admission to this Museum event is \$18 with a Golden Ticket. Print or show this flyer at admission. Good Saturday, July 28, 2018 only.
