

Evergreen Wings & Waves Waterpark

FUN FACTS

WHERE WE ARE

460 NE Captain Michael King Smith Way
McMinnville, OR 97128

WHY WE'RE HERE

At Evergreen Wings & Waves, children and adults will learn why “life needs water” through experience, inspiration and education. The waterpark is next to the Evergreen Aviation & Space Museum, one of the greatest collections of aircraft and space artifacts in the world. Both the waterpark and the museum distinguish McMinnville as a premier location for learning about the power of science.

FUN FACTS

Evergreen Wings & Waves is the ONLY educational waterpark in the entire country!

Opens: Monday, June 6, 2011

Hours: 10 a.m. – 8 p.m., Monday through Sunday throughout the summer

Admission: Children under 42 inches: \$25, children over 42 inches and adults: \$30, H₂O museum: \$15

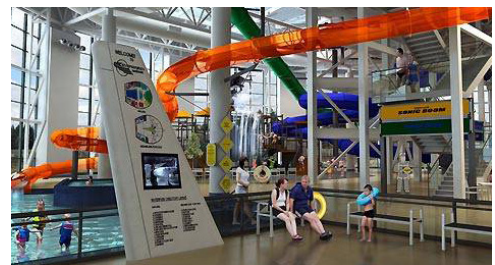

Capacity: 1,500 water-loving kids and adults

Waterpark size: 71,350-square-feet (or one and one quarter football fields!)

Pool temperature: 84 degrees powered by six natural gas heaters (powerful enough to heat 794,000 bowls of soup!)

FUN FEATURES

- 10 waterslides equaling more than 2,000 feet of slide surface with four waterslides coming from the retired Evergreen International Airlines Boeing 747 aircraft positioned on the roof of the waterpark.
- Wave pool that holds more than 91,000 gallons of water.
- Play structure that includes a 300 gallon splash bucket and helicopter.
- Toddler area with bubblers, fountains and two slides.
- Leisure pool with spa.
- Children’s museum designed to teach visitors about the philosophy, “H₂O: life needs water.”
- “Starcade” gaming center for on-land fun.
- Concession area to keep swimmers energized.
- Private rooms available to reserve for birthday parties or other celebrations.
- Family-style locker rooms.
