

EVERGREEN AVIATION & SPACE MUSEUM

Scouts Lift off into adventure at the Evergreen Aviation & Space Museum

Merit Badge Classes

Space Exploration, Aviation, Astronomy, Robotics, Engineering, and Orienteering Merit Badge classes are offered during one-day sessions that provide Boy Scouts with information and hands-on activities while fulfilling the merit badge requirements.

Group Tours

View some of aerospace's finest achievements, including the *Spruce Goose*, the SR-71 *Blackbird*, the *Wright Flyer* and the Titan II SLV missile. Enjoy informative and lively tours led by our friendly staff and volunteers.

IMAX® 3D Theater

Featuring the largest IMAX screen in the Pacific Northwest, we will reserve you a seat for the latest 3D films.

Oak Grove Camping & Night Tours

Experience our collection of nearly 150 aircraft and spacecraft in a new light during an after-hours tour of the Museum. Then camp beneath the stars in our secluded Oak Grove, which has access to showers and restroom facilities.

Night Flight

Soar into the night with legends of aviation. Students are invited to spend a fun-filled evening of activities and learning in the Evergreen Aviation & Space Museum where they will slumber beneath the world's largest wing or near a giant Titan II Rocket.
