

# Explore the World of

# Engineering and Robotics

## AT THE EVERGREEN AVIATION & SPACE MUSEUM!

### ENGINEERING MERIT BADGE

The Boy Scout Engineering Merit Badge will explore the six types of engineering, the definition of a professional engineer, and the Engineer's Code of Ethics. Scouts will then participate in hands-on activities related to engineering. The three pre-requisites for this badge are 1, 2 and 9.

**Dates:** March 26  
April 30  
August 27  
October 29

**Price:** \$15 per Scout

**Dates:** April 9  
May 21  
September 17  
December 17

**Price:** TBA

### ROBOTICS MERIT BADGE

In this merit badge, scouts will explore how robots were invented, how robots work and move, and even build a robot! Scouts will also look at the multitude of careers available in the robotics' industry. The Robotics Merit Badge requirements will be released in April 2011, and pre-requisites will be posted before then.
