

Cultural Days: **Black History Month**

Join us at the Museum as we celebrate the history of African Americans in aviation with activities, specialized tours, and our guest speaker! Speak to Gigi Coleman, the grand-niece of Bessie Coleman, the first African American woman to get her pilot's license, as she takes you through the thrilling story of her aunt. Learn about the Triple Nickles smokejumpers who helped save Oregon forests by building your own parachuter, discover the Oregon pilot who became a Tuskegee Airman by flying in our Sim Lab, break codes like a secret group of African American women during WWII, and more!
