

Cultural Days: STEAM Month

STEAM is celebrating science, technology, engineering, art, and mathematics. It's your turn to pick up colored pencils and design the next Martian Rover – or maybe you would rather create the perfect paper airplane. Either way, join us in putting the art back in science, and participate in fun activities around the museum while interacting with historical figures who will tell you about their own experiences.

Admission to this Museum event is \$18 with a Golden Ticket. Print or show this flyer at admission. Good Saturday, August 25, 2018 only.
