

Cultural Days: LGBT+ Pride Month

From the inventor of a glider we have replicated in the Museum to the first American woman in space, the fields of aviation and space have been changed forever by members of the LGBT+ community. Learn more about these heroes as you participate in fun activities inspired by their lives, and interact with historical figures as they tell their own stories!

Admission to this Museum event is \$18 with a Golden Ticket. Print or show this flyer at admission. Good Saturday, June 9, 2018 only.
