

# Event Planning Guide

# Event Details

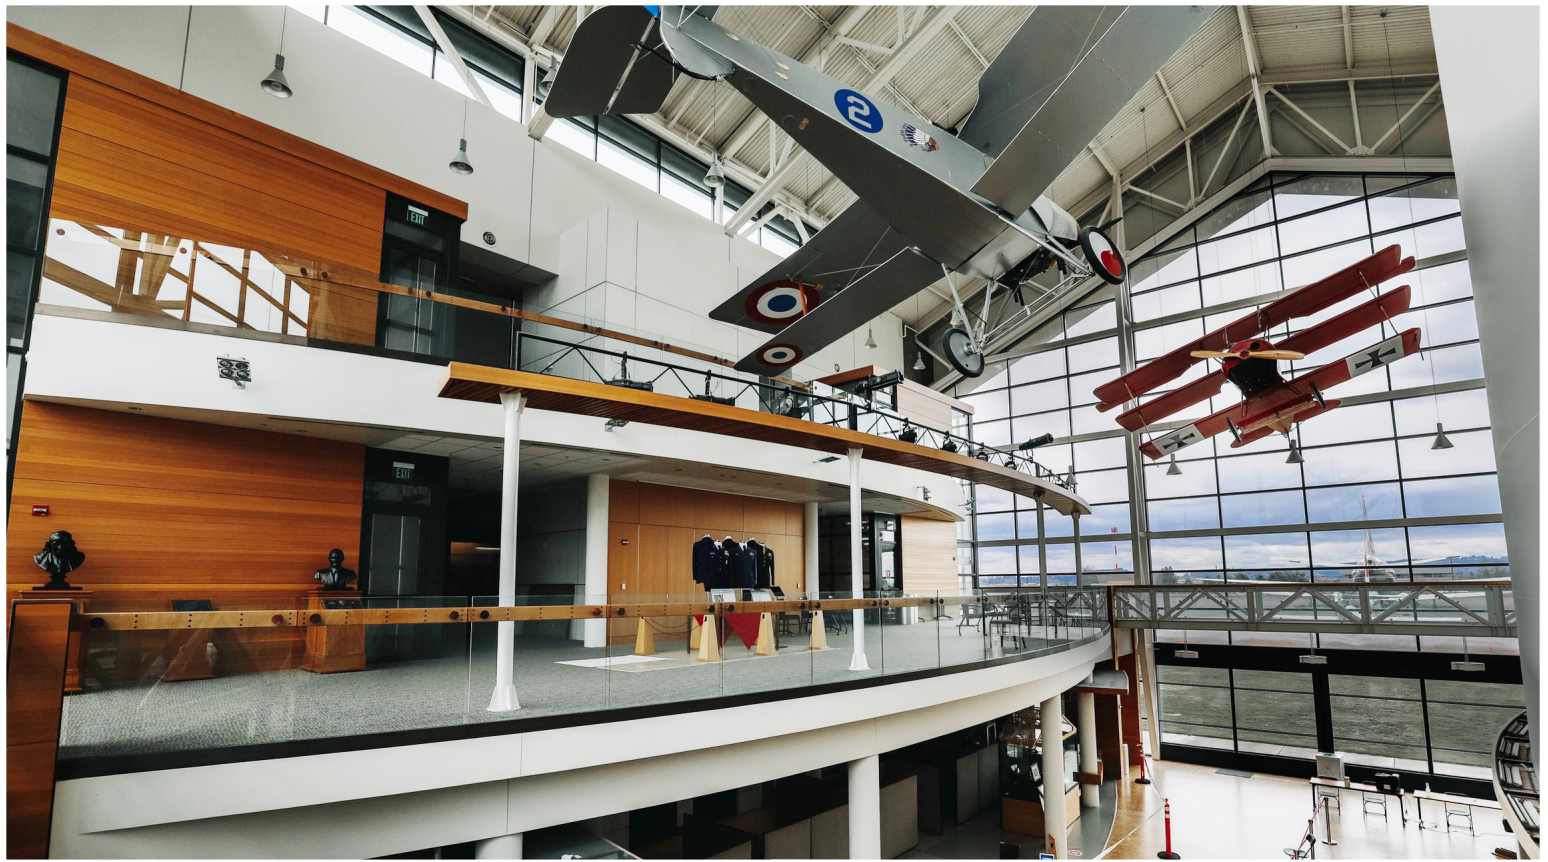

At Evergreen Aviation & Space Museum, we believe in creating an environment for the dynamic exchange of ideas, celebration, and scientific discovery. Our campus is filled with various unique spaces, and attractions ideal for a broad spectrum of events.

These five distinct venues have nearly 200 historical aircraft and exhibits on display, including the Hughes Flying Boat *Spruce Goose*, Titan II, and SR-71 Blackbird. The Evergreen Campus offers a distinctive setting for any occasion, from large corporate dinners and galas to board meetings and film screenings. We offer an array of catering packages are available for all private events.

We are here to create a customized experience that will leave you and your guests inspired!
